

UAT: Member Portal Quick-Start

Test on the trial system (the administrator will provide the link and test accounts). · Follow each step on the live screen and compare with the Expected result. · Tick Pass / Fail and add evidence (document number / screenshot) for every step. · When done, sign off at the end of the document. · This set: 28 test cases.

Before you start (Preconditions)

- ☐ At least 1 test member company linked to a member user (with a **Primary** contact + at least 1 **Secondary** contact)
- ☐ An invitation email that is **not expired and not yet used** (for TC-MEM-01) and an invitation email that is **expired / already used** (for the negative case)
- ☐ The test company has at least 1 invoice in **Issued** status and at least 1 in **Paid** status (with a receipt)
- ☐ The relevant feature has been enabled for you by the system administrator (online payment, with both card and PromptPay methods turned on for TC-MEM-08/09) — and an invoice with online payment **turned off** for the negative case
- ☐ The relevant feature has been enabled for you by the system administrator (data export for TC-MEM-14/15) — and an invoice with that feature off to confirm the card does not appear
- ☐ The relevant feature has been enabled for you by the system administrator (E-Blast broadcasts), and the package includes the E-Blast benefit for TC-MEM-16
- ☐ Stripe test cards ready (e.g. 4242... success, 4000...0002 decline) + a device to scan the PromptPay test QR
- ☐ A **manager** account and a user linked to **another company** for the negative / permission cases

How to fill in: For each TC, mark **Pass / Fail** in the "Result" field and add evidence (document number / screenshot) in the "Notes" field.

--------------------------------------	--------------------------------------	--------------

TC-MEM-03 — Dashboard: status + member number + summary cards (3 / 28)

Role: member

#	Step	Expected result
1	Open /portal	Heading "Hi {name}" , a member number badge (SCCM-NNNN) + a status label Active/Inactive/Archived
2	Look at the 3 summary cards	Membership + Outstanding balance (+ number of unpaid invoices / "All paid") + Benefits showing real values, not stray zeros
3	Look at the lower blocks	Recent invoices (≤ 3 invoices) + Benefit usage · {year} + Recent activity
4	(If the account is not yet linked to a company) open /portal	A welcome card "Welcome to the ... member portal" + button "Explore your benefits" (not zeros + an empty list)

☐ PASS	☐ FAIL	Notes: _____
--------------------------------------	--------------------------------------	--------------

TC-MEM-04 — See only your own company (cross-member protection) (4 / 28)

Role: member

#	Step	Expected result
1	A member of company A opens /portal/invoices	Sees only company A's invoices
2	Copy company B's invoiceId and open company B's invoice page (paste its web address)	Shows a "Not found" page (404) (does not leak that the invoice exists) + records a probe entry in the history log
3	Try to open the admin pages (paste their web address) with a member account	Rejected (not-authorized / redirect) — cannot enter the admin page

☐ PASS	☐ FAIL	Notes: _____
--------------------------------------	--------------------------------------	--------------

TC-MEM-05 — Invoice list + filter + Draft hidden (5 / 28)

Role: member

#	Step	Expected result
1	Open /portal/invoices (company has 3 invoices)	Sees 3 rows: Number / Status / Issued / Due / Total / Actions
2	Filter by Paid , then by Overdue	The table filters correctly (Overdue = Issued + past the due date)
3	Look for Draft invoices	No Draft invoices are shown at all (members do not see drafts)
4	A company with no invoices at all	Shows the empty state "No invoices yet..." (not an error)

☐ PASS	☐ FAIL	Notes: _____
--------------------------------------	--------------------------------------	--------------

TC-MEM-06 — Open invoice details + download the PDF (6 / 28)

Role: member

#	Step	Expected result
1	Click the document number → the details page (read-only)	Sees line items (TH+EN), Subtotal, VAT, Total, Issued/Due/Paid, receipt number (if paid)
2	Issued invoice: click "Invoice"	Gets the tax-invoice PDF
3	Paid invoice (separate number): click "Receipt"	Gets the receipt PDF; a Paid invoice (combined number) shows the button as "Tax invoice / Receipt"
4	Download the same invoice PDF twice	The content is identical every time (the stored official copy)
5	(If the receipt is still being prepared)	Shows "Receipt preparing..." — does not hang on a permanent spinner

☐ PASS	☐ FAIL	Notes (document number downloaded): _____
--------------------------------------	--------------------------------------	---

TC-MEM-07 — Email me a copy of the invoice (7 / 28)

Role: member

#	Step	Expected result

Role: member

#	Step	Expected result
1	Open an Issued invoice → click "Pay now"	The "Pay invoice" drawer opens, showing the Order summary + Amount due
2	Select the Card tab → enter the success test card → pay	Shows "Payment received" , invoice status → Paid immediately
3	Check email	Receives the receipt (1 copy, not 2) within ~1 minute + the line "Paid online via card ending ****XXXX"
4	Click "Download receipt" on the success page	Gets the receipt PDF
5	Check the history log (admin)	The sequence payment_initiated → payment_succeeded → invoice_paid

☐ PASS	☐ FAIL	Notes (charge ref): _____
--------------------------------------	--------------------------------------	---------------------------

TC-MEM-09 — Pay an invoice online with PromptPay QR (9 / 28)

Role: member

#	Step	Expected result
1	Open an Issued invoice → "Pay now" → the PromptPay tab	Shows a QR code + amount + countdown timer + "scan with any Thai bank app" (TH first + EN)
2	Scan and pay within the time	The screen changes by itself to "Payment received" (no refresh needed), status → Paid , no card metadata
3	Let the QR expire, then come back	Message "QR code expired" + button "Refresh QR" to issue a new QR
4	A warning under the QR	"Only scan the QR code shown above; do NOT transfer manually..."
